Grading scheme

In the Spanish university system, modules/courses are graded on a scale of 0 to 10 points with the following qualitative equivalence:

0-4.9: "suspenso"; 5-6.9: "aprobado"; 7-8.9: "notable"; 9-10: "sobresaliente". A special mention, "Matrícula de Honor" may be granted to up to 5% of the students in a group provided they have got a "sobresaliente". To pass a module/course it is necessary to get at least 5 points.

In cases of recognition of ECTS, professional experience, cultural or sports activities, or student representation no grading will be recorded but, where appropriate, the word "Apto".

INFORMATION ON THE FUNCTION OF THE QUALIFICATION

Access to further study

This qualification gives access to Doctoral studies, provided that the student has completed a minimum of 300 ECTS in the overall teachings of Bachelor and Master.

Stated objectives associated with the qualification and professional status (if applicable)

The main aim of this degree is to provide the students with a high-level of training so that they acquire the necessary skills to work and investigate, either in professional or academic fields, within the wider scope of the European Union by means of a methodology that ensures: Professional and research competencies in the various fields: Economics, Law, and the political and social institutions of the European Union, which will allow them to acquire a broadened knowledge that will be very useful both in private and public European affairs.

This Master programme provides the students with a profound and thorough knowledge of the theory and practice of the definition, structure and functioning of the European Union through the learning of skills in various fields: Economics, Law, and the political and social institutions of the European Union in order to develop expertise in the scope of the Union.
