Grading scheme

In the Spanish university system, modules/courses are graded on a scale of 0 to 10 points with the following qualitative equivalence:

0-4.9: "suspenso"; 5-6.9: "aprobado"; 7-8.9: "notable"; 9-10: "sobresaliente". A special mention, "Matrícula de Honor" may be granted to up to 5% of the students in a group provided they have got a "sobresaliente". To pass a module/course it is necessary to get at least 5 points.

In cases of recognition of ECTS, professional experience, cultural or sports activities, or student representation no grading will be recorded but, where appropriate, the word "Apto".

INFORMATION ON THE FUNCTION OF THE QUALIFICATION

Access to further study

This qualification gives access to Doctoral studies, provided that the student has completed a minimum of 300 ECTS in the overall teachings of Bachelor and Master.

Stated objectives associated with the qualification and professional status (if applicable)

To ensure students acquire a rational and critical knowledge in research methods and techniques, as well as knowledge of the main research centers, primary sources and the myriad resources that constitute the foundations of scientific work in the fields of History, Art History and Geography. To provide a precise knowledge regarding distinct structural and formal models of scientific research in History, Art History and Geography.

The main learning outcomes and competencies acquired by the students will be the relevant knowledge and necessary skills to plan original research with an innovative focus which will contribute to the development of knowledge and debate in the different scientific fields of History, Art History and Geography, as well as to carry out this research successfully according to the methods and research techniques intrinsic to this field in an international context.
