Grading scheme

In the Spanish university system, modules/courses are graded on a scale of 0 to 10 points with the following qualitative equivalence:

0-4.9: "suspense"; 5-6.9: "aprobado"; 7-8.9: "notable"; 9-10: "sobresaliente". A special mention, "Matrícula de Honor" may be granted to up to 5% of the students in a group provided they have got a "sobresaliente". To pass a module/course it is necessary to get at least 5 points.

In cases of recognition of ECTS, professional experience, cultural or sports activities, or student representation no grading will be recorded but, where appropriate, the word "Apto".

INFORMATION ON THE FUNCTION OF THE QUALIFICATION

Access to further study

This qualification gives access to Doctoral studies, provided that the student has completed a minimum of 300 ECTS in the overall teachings of Bachelor and Master.

Stated objectives associated with the qualification and professional status (if applicable)

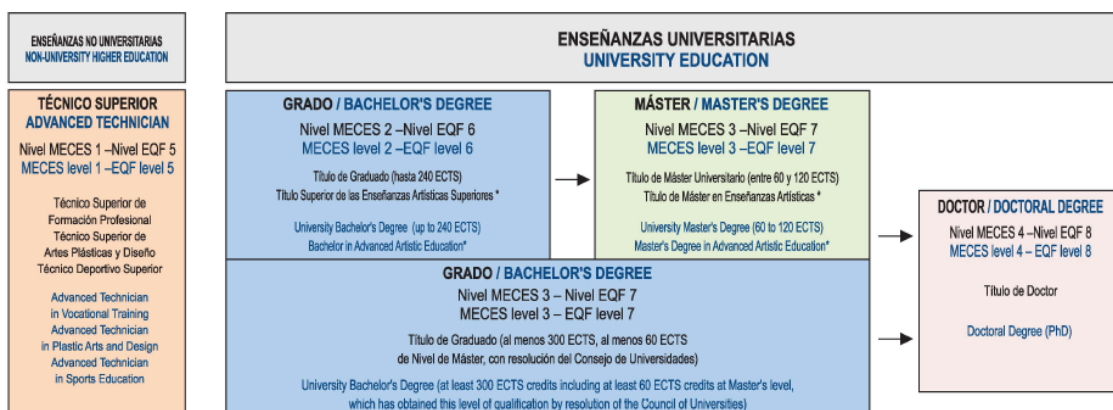

Advanced knowledge on the socio-political evolution of contemporary Spain and Europe, in particular on their forms of organization, political culture and international relations. Advanced knowledge about the operation, structure and evolution of social and political organizations and political cultures of the Spanish right and left throughout the twentieth century, as well as its position in the general scheme of European history. Advanced knowledge of concepts, factors, actors and decision-making processes in the construction of successive models of political and social organization, especially action and the exercise of political power of the various socio-political groups and the impact of their ideologies.

The main learning outcomes and competencies acquired are to provide specialized training to expand and improve knowledge acquired in undergraduate studies on Contemporary History of Spain and World History, in order to contribute to the professional development of students and their employment. It seeks to highlight the different areas that make up the history of contemporary Spain enriching its context and analysis from the perspective of comparative history, guidance maintained as the general approach of different subjects.
