INFORMATION ON THE LEVEL OF THE QUALIFICATION

Level of qualification

Level 3 (Master) in the Spanish Framework of Higher Education (MECES) is equivalent to level 7 of European Qualification Framework (EQF).

Official length of programme

The official length of programme is 60 ECTS and 1 year full time.

Access requirements

By virtue of the nature of the master's degree, priority will be given to students who are in possession of any of the following qualifications:

- Bachelor's degrees in Philology or Literary studies, Theory of Literature and Comparative Literature or other similar fields.

- Bachelor's degrees in History, History of Art, Geography, Archaeology or similar fields.
- Bachelor's degrees in Philosophy, Anthropology or other similar fields.
- Bachelor's degrees in Translation and Interpretation, Humanities or other similar fields.
- Bachelor's degrees in the area of Library Science and Documentation.

The master's degree will also be open to graduates in any other specialty, although with a different scale depending on the student's origin.

There are no leveling subjects as the master's degree is eminently methodological, so it cannot replace a basic humanistic training. It is understood that if someone from another branch of knowledge takes it, it will be because of their interest in its application to other disciplines.
