Grading scheme

In the Spanish university system, modules/courses are graded on a scale of 0 to 10 points with the following qualitative equivalence:

0-4.9: "suspenso"; 5-6.9: "aprobado"; 7-8.9: "notable"; 9-10: "sobresaliente". A special mention, "Matrícula de Honor" may be granted to up to 5% of the students in a group provided they have got a "sobresaliente". To pass a module/course it is necessary to get at least 5 points.

In cases of recognition of ECTS, professional experience, cultural or sports activities, or student representation no grading will be recorded but, where appropiate, the word "Apto".

INFORMATION ON THE FUNCTION OF THE QUALIFICATION

Access to further study

This qualification gives access to Doctoral studies, provided that the student has completed a minimum of 300 ECTS in the overall teachings of Bachelor and Master.

Stated objectives associated with the qualification and professional status (if applicable)

The primary objective of this Master is to get students to possess a higher level of expertise that provide the Degree, and lead them towards the elaboration of the Doctoral dissertation.

Once completed the Master, students are prepared to carry out a research project, as is the doctoral dissertation. They have an updated knowledge on the several research lines being developed in philosophy. They are able to deal with complex situations and make a critical and objective analysis of them. They know how to express and communicate their ideas.
