Grading scheme

In the Spanish university system, modules/courses are graded on a scale of 0 to 10 points with the following qualitative equivalence:

0-4.9: "suspenso"; 5-6.9: "aprobado"; 7-8.9: "notable"; 9-10: "sobresaliente". A special mention, "Matrícula de Honor" may be granted to up to 5% of the students in a group provided they have got a "sobresaliente". To pass a module/course it is necessary to get at least 5 points.

In cases of recognition of ECTS, professional experience, cultural or sports activities, or student representation no grading will be recorded but, where appropriate, the word "Apto".

INFORMATION ON THE FUNCTION OF THE QUALIFICATION

Access to further study

This qualification gives access to Doctoral studies, provided that the student has completed a minimum of 300 ECTS in the overall teachings of Bachelor and Master.

Stated objectives associated with the qualification and professional status (if applicable)

The main aim of this degree is the achievement of theoretical, methodological, historical, political, sociological and legal knowledge to develop research and analysis on peace, security and defense, that will enable the students to assimilate a culture of peace and defense, to disseminate and promote further scientific research on these issues and, thus, to create a solid base of studies to underpin future political and military decisions.

The main learning outcomes and competencies acquired are to know and understand the security concepts and challenges in a complex society, the elements that make up the international political and legal order, different theories about peace and war, the causes of conflicts and their possible solutions, the different State and non-State actors concerning peace, security and defense, the crisis management models for a peaceful resolution of conflicts, the public policy in the area of defense, the functions, structure and operations of the Armed Forces, their missions and their interaction with the civil society, the strategic interests of Spain, the link between foreign policy and security policy and defense, the Spanish influence areas, and Spain’s contribution to world peace and security.
