Grading scheme

In the Spanish university system, modules/courses are graded on a scale of 0 to 10 points with the following qualitative equivalence:

0-4.9: "suspenso"; 5-6.9: "aprobado"; 7-8.9: "notable"; 9-10: "sobresaliente". A special mention, "Matrícula de Honor" may be granted to up to 5% of the students in a group provided they have got a "sobresaliente". To pass a module/course it is necessary to get at least 5 points.

In cases of recognition of ECTS, professional experience, cultural or sports activities, or student representation no grading will be recorded but, where appropriate, the word "Apto".

INFORMATION ON THE FUNCTION OF THE QUALIFICATION

Access to further study

This qualification gives access to Doctoral studies, provided that the student has completed a minimum of 300 ECTS in the overall teachings of Bachelor and Master.

Stated objectives associated with the qualification and professional status (if applicable)

With this Master's degree, the holder will become a specialist in Lexicography and will be able to develop a future career in two directions, according to his/her preferences: 1) a research orientation which will allow him/her to carry

out investigation activities and obtain a PhD, and 2) a professional career to enter the job market.

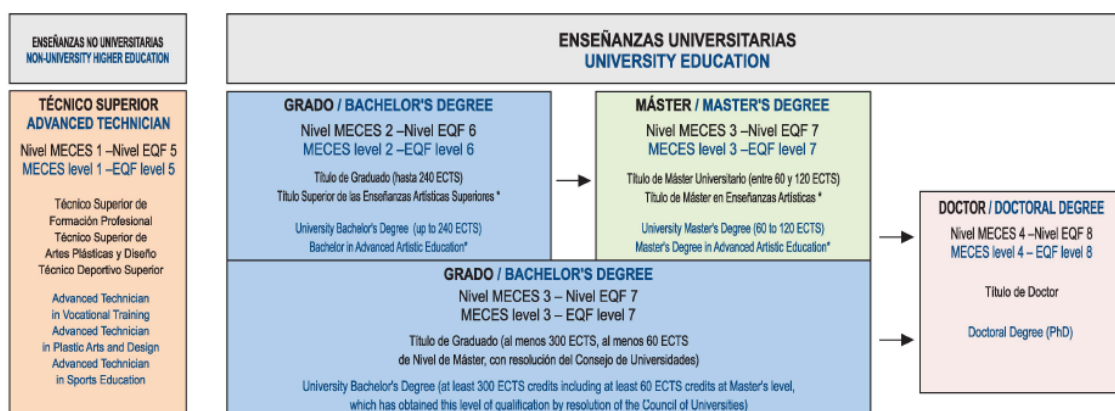

The main learning outcomes and competencies acquired are the current trends in Lexicography to pursue research activities. Robust theoretical training on the elaboration of technical and scientific dictionaries for schools, crucial in today’s society in order to enhance scientific and technical development as well as solid training in several areas, such as Lexicography, History of the Language and Philology.
